R. C. TRIBUNE COOKING SCHOOL ENDS TODAY

Jury Sets Quiz On Necessity ofWPABureau

Harris, Supervisors Get Call to Appear Here Next Friday

Two hours of quizzing Col. John S. Berger, bingo promoter, and another hour's discussion of his answers to jurors' questions Tuesday prevented the grand jury's getting into the county government controversy.

But following the session, Jury Foreman Allan F. Hunt announced:

1. That Friday night an investigation into the creation of the WPA bureau which has resulted in a referendum being circulated would be launched;

2. That next Tuesday evening the controversial question of San Francisco's dumping of garbage in the tidelands at Bayshore City would be taken up.

"Asked, but not subpenaed" to appear at the Friday night meeting, Hunt said, would be president Percy Shaw and Taxation Committee Chairman Matthew A. Harris of the Civic League, sponsors of the petitions which would call a vote on the establishment of a WPA bureau, and the five members of the board of supervisors.

All will be questioned in connection with the new department which Engineer W. W. Hendricks is to head at a salary of $3,600 a year.

Tuesday's session will be featured by appearance of Maj Charles Gans, county health director, and the five members of the Bayshore Sanitary District Board, if they accept invitations to attend. They likewise will not be subpenaed, it was stated.

County government was not touched on last night, jurors reported after the meeting.

M'GRATH PRESENT

Besides Colonel Berger, Sheriff James J. McGrath, who controls the jury's $5,000 special investigation fund, was called. Jurors said however, that they discussed with him only the means of administering the money and hiring investigators.

Colonel Berger, it was reported who originally came from Los Angeles, told of his part in establishing the bingo game at Bayshore City, and of his selling out soon afterwards to a firm known as Zamansky & Golup, Los Angeles jewelers and financiers.

His views on legality of the game were told by Berger, who explained that it had been held that if merchandise, or coupons redeemable in merchandise or cash at a place owned by someone other than the bingo owners, were given winners of the game, it was not a violation of the gambling laws. Contrariwise, if cash were given, or if the redeemer could be shown to be connected with the bingo parlor, then the law called it gambling, Berger explained.

Berger also accused one member of the jury of having solicited him when he was about to build the bingo palace, asking first for a lumber contract, then for a paint contract, and then for a job, he said. Hot words flew and at one time Berger was accused by the juror of being a liar, it was reported.

Questioning of Ike Bernstein, manager of the bingo game at Bayshore, has to be accomplished before any indictments will be considered by the jury, members reported. Bernstein is at present in Los Angeles, it is reported, but is due back in this county next Tuesday when he is to go on trial in Daly City on gambling charges in connection with his operation of the parlor.

BINGO 'ABOUT THROUGH'

Further evidence of a split in the jury ranks over the return of indictments was evidenced after the meeting when one juror said he felt the jury was "about through" with its bingo inquiry "for no one has enough nerve now to open a game."

This was disputed by two other members, however, who declared that elimination of the game from the county would not be satisfactory.

"We want to know who started the thing, and indictments may yet be forthcoming," one of the two declared.

FLOWER DRIVE AID SOUGHT

Endorsement by the board of supervisors of the Disabled American Veterans' annual Forget-Me-Not Day drive November 8-11 was asked of the board of supervisors by the Edmund Parrott Chapter No. 16, D. A. V., Burlingame, through E. L. Dickinson, treasurer.

WESTERN AUTO SUPPLY OPENS REDWOOD CITY UNIT AT 8 A. M. TODAY

Babcock, Store Head, Tells Policy Behind Accessory Firm

Of particular interest to automobile owners of Redwood City and vicinity is the opening today of a Western Auto Supply Company store in Redwood City. The new accessory store is located at 2627 Broadway. In celebration of the firm's opening here, a special get-acquainted sale, which is said to offer motorists many extra savings on auto accessories, will be in progress.

The new Redwood City store site has been completely remodelled, inside and out, to suit requirements, and due to the installation of especially designed store fixtures for the motorist's convenience, is one of the most modern accessory stores in a city of this size.

As the world's oldest and largest exclusive retailers of auto accessories, the Western Auto Company is constantly expanding service to western motorists, avers W. M. Babcock, Redwood City manager, and is in keeping with his policy and with full confidence in the future of this city that the local branch has been opened.

He declares that the coming of Western Auto to this city brings to motorists here the same great values which are enjoyed by millions of car owners in more than 40 other cities of 11 western states.

Babcock invites residents of this city and vicinity to visit his store and acquaint themselves with the high standards of quality and low prices which have made Western Auto values famous.

While this is the 190th Western Auto store, the policies of savings and service are the same now as they were back in 1916 when the company opened its first store. The steady, amazing growth from one to nearly 200 stores in 19 years is attributed to the consistent adherence to these fundamental principles, according to Babcock.

"Our business was established on the foundation of honesty, satisfaction and a customer-is-always-right policy," he said. "This policy has always been maintained as the basis of our relations with the buying public and will be adhered to in all our dealings at the new Redwood City store. We guarantee every article purchased from us to be exactly as represented,

W. M. BABCOCK
Western Auto Manager

and if the customer is not entirely satisfied, we refund his purchase price."

"One of the outstanding features of the Western Auto guarantee is that, no matter which store sold the goods, all of the stores stand solidly behind it," he said.

To aid the customer in finding quickly the thing that most nearly suits his purse and purpose, all articles are grouped by departments in cafeteria-type bins, open shelves and display stands.

The local Western Auto store offers a complete line of automobile supplies, stocking more than 5,000 articles. This assortment not only includes tires, batteries, oils and auto accessories, but also replacement parts, repair needs and tools, car and house radios, and camping and outing equipment.

"An outstanding feature of this and all other Western Auto stores," says Babcock, "is the service its salesmen are enabled to give the customer as a result of the training they receive before they represent the company on the sales floor."

"They are thoroughly instructed in the service that our firm pledges itself to give, and every man is made to realize that the basic principles of our relations with the public are truth and sincerity. Every man is a specialist in his work—he understands the problems of the western motorist and is trained to assist in solving these problems."

Townsendites Leave For Chicago Session

Rev. Norman W. Pendleton and V. E. Keith were en route to Chicago by train today as delegates of the local Townsend Club to the national convention October 24 to 27. The Rev. Pendleton left last night, Keith having departed Saturday evening.

From the San Mateo and Burlingame clubs, Mr. and Mrs. B. A. Miller of Burlingame left yesterday. They were elected at a meeting Saturday night in the Burlingame city hall where Ralph Fulcher, state area director, outlined the program to be followed at the convention.

Daniel Sisson Heads Mathematics Society

New officers of Delta Theta Chi, Sequoia's mathematics society, are Daniel Sisson, president; Kenneth Moulton, vice president, and Louise Fish, secretary-treasurer.

Initiation of new members will take place Saturday at Sequoia, according to Donald Kauffman, mathematics instructor.

$4000 HOME TO BE BUILT

Construction of a $4000 five-room frame dwelling at 322 Grand was begun today by Contractor J. P. Pitsker for John Power following issuance of a building permit at the city hall.

FAIR MISS PASSES HONEY MAIDS

Two juvenile screen celebrities, Helen Westcott and Merwin Lucas, enjoy a between-meals bite of Honey Maid Graham Crackers and fresh milk at the studio between scenes.

'Lie' Is Hurled As Daly City Debates Bingo

Hot-Tempered Crowd Hears Mayor Agree Vote to Be Called

Following a three-hour session in which the lie was hurled back and forth across the Daly City council chambers and threats of recall, hints of graft and accusations of corruption were used unsparingly, Mayor H. H. Smith Monday night promised Daly City residents they would have a chance to decide by vote if they want bingo.

Marked by the surprise appearance of Col J. S. Berger, one of two men the grand jury sought before taking decisive action on bingo, the meeting promised to develop into a riot.

Only the unruffled and smiling Mayor Smith's handling of the hot-tempered crowd of anti-bingoists allowed the meeting to break up without a battle at 11 o'clock.

Colonel Berger, self-styled promoter who started the now closed Bayshore bingo parlor, revealed after the session that he had been reached by subpena servers and would appear tonight before the grand jury.

BERGER WINS FLOOR

Granted the right to speak despite protests that he hadn't received a postcard inviting signers of a bingo referendum to appear, Berger accused C. J. Pettigrew, First Township Clubs secretary-treasurer, of perpetrating a "manufactured lie" in telling the council he, Berger, had offered Pettigrew money to destroy anti-bingo petitions, which 462 Daly City residents signed.

George Savage interrupted and declared Berger was "off his nut." Pettigrew himself attempted to speak, but the audience vociferously pleaded Berger be allowed to finish.

The scholarly, bald, bespectacled Berger reviewed the history of the Bayshore game, and then outlined the part he declared Pettigrew played in granting of the Daly City permit. He accused Pettigrew of calling himself a "boss politician."

Unable to contain himself, Pettigrew shouted "you're a liar," but permitted Berger to finish.

WENT TO SULLIVAN

The Daly City 3-year permit which the council, voting 4 to 1, issued for $4000 a year license fee was finally given, Berger explained, to John J. Sullivan, whom he identified as president of the Disabled Veterans Home and a "gentleman of standing in legion affairs." He explained he had then been hired by Sullivan to promote the venture. He declared he had planned to spend $20,000 on a "bingo palace," employing Daly City men on the building and some 35 afterward to run the place.

When he learned of the referendum, Berger said, he asked Pettigrew why it was being done. Pettigrew, he said, replied, "Because you've given Mayor Smith (who is a lumberman) a contract to build the parlor."

"That was untrue," Berger declared. "All along I intended to purchase materials where I could get the best price."

Replying, Pettigrew denied he had reported being offered money by Berger to destroy the petitions, explaining instead that Berger had said he would like to get the petition signers together, "and would be willing to spend $5000 or $6000."

Pettigrew did not reveal on what Berger planned to spend the money. He also declared it was rumor only that Mayor Smith had the contract.

HINTS DOG TRACK BACKING

George H. Buttle, who with Pettigrew testified before the grand jury, shouted "dirty liar" at Berger, accompanying his remark with an epithet.

Berger, regaining the floor, hinted the dog tracks were behind the anti-bingo drive since both Pettigrew and Buttle are at times employed on the Bayshore track. He also declared California courts have held bingo legal.

"SMELLS BAD"

A number of others argued against the game, some saying a business willing to pay $4,000 license "smells bad;" another saying he felt bingo places were not proper in a residential city; another that it will "lead to graft."

Smith had earlier explained that since the bingo permit was granted, and then later an ordinance was passed fixing the fee at $4,000, and limiting the parlors to one, an election would not void the permit.

$25,000 RADIO STATION PLANNED AT CITY LINE

Redwood City Transmitter Planned As Latest Link in Hearst Chain; Work Underway Today With Drilling of Well

Construction operations were underway today on a new industry for Redwood City which will involve a building program of approximately $25,000, result in the eventual permanent employment of between 10 and 15 persons, and perhaps bring national publicity to this city.

Located on a site owned by William Randolph Hearst just north of the city limits on the east side of the Bayshore highway, a transmitting unit for Hearst Radio will be established.

At the same time, a receiving unit will be constructed on Cahill ridge just west of the Crystal Springs reservoir, some 12 miles northwest of here.

MARSH FILL PLANNED

Besides the expenditure, which will go for drilling a 150-foot well capable of supplying 50,000 gallons of water daily, for filling in a large portion of the half section of marsh lands about four feet, and for a one-story frame stucco building about 50 by 75 feet in size, expensive radio equipment will be brought here.

The well contract already has been let to Robert Garcia, East Palo Alto well driller with offices at the Bayshore and University avenue. His contract calls for an expenditure of $841.50 for a 14-inch casing for 60 feet and a 10-inch casing for the remainder of the depth. The extreme depth is to eliminate any possibility of getting salt water.

Possibility was seen by Garcia, already on the job, that even a greater depth might have to be reached.

The large quantity of water will be used mainly to cool machinery.

OTHER CONTRACTS DUE

Contract for filling in of the marsh lands has not as yet been let, but the firm of Julia Morgan, San Francisco, has been employed as architects. J. H. LeFevre is handling details for the firm.

Heintz & Kauffman Ltd., San Francisco radio engineers, are in charge of the project for Hearst Radio, a New York firm. They are represented by H. O. Storm of Palo Alto.

All kinds of news broadcasts, radio service and messages to ships at sea will be handled over the new stations here and on Cahill ridge, according to information obtained by LeFevre. No "amusement" broadcasts will be transmitted, however, it was explained.

Huge antenna towers will be constructed at each station.

The transmitting station here will be the largest of the two LeFevre said. The pair are units in a nation-wide system, he reported. They operate on a 24-hour basis.

While Hearst has owned the site for some time, according to LeFevre, Redwood City was chosen as location for the station, he explained, "because of its favorable atmospheric and meteorological conditions."

An octopus settles itself over its prey forming an airtight death chamber about its victim, before devouring it.

GRAHAM CRACKER PIE CRUST EASY

No matter how you may have been disappointed in your pie crust achievements, there is a way, thank goodness, of making perfectly delicious, flavory, tender pie crust Every Time. That's the Honey Maid Graham Cracker Way, and here is a complete Hawaiian Pie recipe that is one of the nicest, yet easiest pies in the world to make:

HAWIIAN PIE
Crust

25 Sugar Honey Maid Graham Crackers
½ cup butter
2 tablespoons sugar

Filling

1/3 cup flour
3/4 cup sugar
1/2 teaspoon salt
2 cups crushed pineapple with juice
1 tablespoon butter
2 tablespoons lemon juice

Crumble the crackers fine and mix with soft butter and 2 tablespoons sugar. Line buttered pie plate with two thirds of the mixture, pressing firmly against bottom and sides. Reserve remainder for top crust.

Mix flour, ¾ cup sugar and salt. Add to pineapple, cook over hot water until mixture is thick. Then add butter and lemon juice. Cool, turn into crumb-lined pan and top with remainder of crust, sprinkled over top. Bake in hot oven (425° F.) 15 to 20 minutes. 6 portions.

S. F. OPPOSES SERRA ARTERY CONTROL LOSS

State's Move to Put County in Charge Gets Protest

Transfer to San Mateo county of the 3.72-mile stretch of the Junipero Serra boulevard from El Camino Real to the San Francisco county line may be protested by the San Francisco Board of Supervisors, the local board was notified today when it received copies of letters from John J. Casey, engineer of Joint Highway District No. 10.

Casey had asked the state to take the highway, since the district did not have funds for its maintenance this winter, as it had done last year.

Edward A. Neron, deputy director of public works, informed Casey that "the department has never issued a decree of distribution accepting a joint highway district project as a state highway except where such project was situated on a duly designated state highway."

"We believe such action would be contrary to the procedure established by law for creating state highways," he wrote Casey.

"We are therefore instructing our attorneys to prepare a decree distributing the road to San Mateo county."

Casey has asked the San Francisco supervisors to request a hearing before Director of Public Works Earl Lee Kelly to protest turning the roadway over to this county.

Mexican Mayor Sons Enroll at Academy

The Pan - American good - will group of pupils at the Palo Alto Military Academy was increased yesterday by the sons of Antonio, Jr., and Enrique Salmon, sons of Antonio Salmon, mayor of Ciudad Obregon, Sonora, Mexico.

The two Salmons are personal friends of Francisco Obregon, who enrolled at the academy recently.

The academy now has nine pupils from south of the Rio Grande, four from Mexico, two from Costa Rica, and three from Brazil.

GAY ROGUE

Warner Baxter, in a role more romantic than his famous "Cisco Kid," is co-starred with the beautiful Ketti Gallian in the new Fox film production, "Under the Pampas Moon," playing at the Redwood Theatre Sunday and Monday. On the same bill is "Going Highbrow" with Zasu Pitts and Guy Kibbee.

WITT IN DEFY HITS LEAGUERS

Supervisor Offers Way Out of WPA Dispute In Scorching Blast

With petitions calling a referendum on the proposed WPA coordinator post put in circulation and the San Mateo County Grand Jury ready immediately to take up the tangled litical question, Supervisor Albert Witt Jr., Colma, today issued a blast against the new county-wide Civic League.

Witt declared that he was not frightened by "parlor pinks and agitators," and was "not the least bit afraid of would-be plutocrats."

He offered to withdraw support of W. W. Hendricks as the new WPA engineer if County Engineer Carl Scott employs "a licensed engineer acceptable to all the supervisors" in the post.

Witt charged that the engineer's office has not one licensed engineer on its staff.

This was disputed by the engineer's office which cited three licensed engineers, George W. Wade, John McCrea and O. J. Hobson.

During Witt's remarks, in which he said he was "particularly interested in those in distress," Mrs. Ella Chase, Lomita Park, retorted that she did not believe he was working in the interests of the taxpayers.

"Start a recall move against me, then," Witt retorted.

During the argument, Board Chairman Manuel Francis called for Deputy Sheriff Floyd Glennan to oust Mrs. Chase.

"Fiddlesticks, to you," Mrs. Chase said to Glennan, who blushed, and turned aside. She retained her seat.

WITT'S STATEMENT

Witt's statement in reply to the Civic League's referendum follows:

"By misrepresenting facts, using alarmist tactics and posing as the saviors of county government, certain individuals hope to discredit this administration by attacking unfairly its efforts to lighten the burden that looms for the shoulders of jobless citizens and taxpayers.

"Hundreds of dollars are being spent in a gigantic campaign of propaganda which they ultimately hope will end in the defeat of a plan advanced to better conditions for our unemployed, and to save the taxpayers money.

"With my colleagues who comprise the majority faction, I voted favorably several weeks ago for an ordinance creating a coordinator bureau to competently handle WPA projects.

"Like my colleagues, I sincerely believed then, as I do now, that unless the federal government is given some assurance that a competent and non-political minded engineer will over see WPA projects, our chances for federal grants will be slight.

"At the present time the acting engineer is the subject of considerable litigation. He has proven himself incompetent. He has become the subject of grand jury concern.

"It is admitted, even by those who do not claim to be friendly to the administration, that the submission of plans for WPA projects by the acting engineer has followed a decidedly slow motion process. So slow, in fact, that there appears some likelihood that we may have to do without certain projects and probably place working men with families on a dole at considerable expense to taxpayers.

FEARS SOUP KITCHENS

"Yet the Civic League of San Mateo County is circulating petitions to force a costly special election through which it hopes to defeat our plan to create a means to properly handle WPA projects and make employment for our jobless rather than soup kitchens."

Drill Team Planned By Local Eagles

The Fraternal Order of Eagles at the last reguar meeting, made definite plans for the forming of a drill team. The committee appointed to have charge of the team consists of Dr. H. E. Mason, Floyd E. Kelly and Alvin H. Silva. Plans were also made to have a whist party Friday evening, November 1 in the I. O. O. F. Hall for the benefit of the drill team.

Recent contributions have been made to the Chamber of Commerce to assist the financing of Redwood City's float in the floral fiesta, Redwood City Fire Department and the local branch of the Y. M. C. A., it was reported.

Kitchen Tips Of Miss Heath Prove Popular

Greatest Attendance In School History Awaited at 2 P. M.

With over 1,200 women already recorded in attendance at The Tribune's four-day 12th semi-annual cooking school, the final sessions will open at 2 p. m. today.

Miss Hester Heath, home economist, has offered Redwood City district women many suggestions for new dishes, and for saving labor and time in the kitchen.

Those who have not attended the cooking school as yet should avail themselves of the final opportunity today.

The cooking class is being held in the McKinley School auditorium. Doors for the final session will open at 1 p. m. Admission is free.

BLAZE VISITS HILLSBOROUGH RACQUET CLUB

Bar and Lounge Room Of Fashionable Colony Lost

(Special to the Tribune)

HILLSBOROUGH, Oct. 23.—Fire of undetermined origin destroyed the lounge room and bar at the exclusive Hillsborough Racquet Club here at 7:10 a. m. today and did damage estimated by Fire Chief Claude J. Hirschey at between $4,000 and $5,000. Cause of the blaze was undetermined.

Four employes of the club, who were asleep in the building at the time, were not perilled, and escaped without injury.

With much of the construction including lattice work, the clubrooms burned like paper, according to Chief Hirschey, and made the work of the firemen difficult.

The Racquet Club is the former San Mateo Polo Club and is the scene of the practices for most of the famous polo matches played at the Beresford field, which has supplanted it. The lounge and bar were used last night, but the last of the guests had departed by 11 p. m., it was said.

Fire is believed by Chief Hirschey to have started under the flooring of the northend of the lounge and may have been due to defective wiring, he said.

Zehender Is Elected Sportsmen Officer

Nev vice president of the Associated Sportsmen of California is George Zehender of Redwood City.

He was elected Saturday at a banquet at Harbin Springs which marked the eleventh annual convention of the association.

Other officers chosen were Robert Allen of Stockton, president; William Bergschicker, Salinas, second vice president; L. S. Deming, San Francisco, secretary, and Newton Booth Jr., Harbin Springs, treasurer.

Rehabilitation Bureau Opened at Sequoia

A branch office of the California State Bureau of Rehabilitation has been established at Sequoia. H. B. Wade is in charge of the bureau to help physically and vocationally handicapped persons. Anyone over 16 is eligible for the service carried on in the small dining room of the school cafeteria from 8 to 5 every week-day.

Tri-Motored Fokker Arrives at Airport

Capt. Ken Kleaver of Sacramento arrived today at the Redwood City Airport with a giant tri-motored Fokker plane for passenger and excursion flights over San Francisco and the bay area.

Kleaver was formerly with the T. W. A. air service and is a member of the Aviation Reserve. Kleaver arrives in Redwood City after a 70,000-mile barn-storming tour of the Northwest.

According to Kleaver about 80 per cent of the passengers carried are taking their first airplane ride. The big ship will be at the airport on Bayshore highway until Sunday night, according to Cliff Walk, airport manager.

MENLO PARK NEWS

The Rev. Father Brockhage has been appointed a member of the diocesan council of this diocese, and honor greatly appreciated by any priest. Father Brockhage is the first priest ordained at St. Patrick's Seminary, having come from the East to spend his last seminary year here. He taught at the seminary for some years before his appointment as pastor of St. Roses' Church, San Francisco. He is considered one of the ablest **pulpit orators in the bay region.** ...

Kenneth C. Zwerin, up until a short time ago rabbi of Congregation Beth Jacob in Stanford Park, was among those admitted to the bar by the supreme court this week. He is a bright young man, a good orator and a thinker. W. H. Henderson of Menlo Park was also admitted. Henderson was among the 17 who passed from Stanford University, considered one of the best law schools in the country.

Mr. E. C. Houck has returned to Menlo Park after spending several months in the mountains.

Mr. and Mrs. E. Graham of Amarillo, Tex., have taken a cottage on Menlo avenue for the winter.

Several ladies from Menlo Park American Legion Auxiliary No. 443 attended the luncheon meeting of the bay district units of the auxiliary in Alameda yesterday. Department President Ethel March and Department Secretary-Treasurer Ethyl Flynn presided.

The children of Trinity Episcopal Sunday school will hold a costume Halloween party at the parish hall on Laurel avenue this evening.

The Rev. Ralph Smith will speak at the Townsend Club meeting in Palo Alto high school Sunday afternoon.

Mr. and Mrs. J. J. Schmid of Tracy visited their friends, Mr. aand Mrs. W. H. Weeden, Monday.

D. E. O'Keefe and W. H. Weeden, members of the Republican county committee, will attend a meeting in Burlingame this evening.

Belle Haven American Legion Post will give their annual turkey whist Friday, November 22, in the Legion Hall on Bay road.

Supreme Court's Power Subject Of Debate Here

Whether congress should have the power by a two-thirds majority to override a ruling on constitutionality by the supreme court will be debated November 4 by teams of the Palo Alto and Redwood City Toastmaster Clubs.

Duncan Reynard, Louis Dematteis and Earl Whitaker were elected Monday evening to represent the local speakers' club at the forensic contest which will be held in the Methodist church here at 6 p. m.

Palo Alto's representatives will be Rev. Oscar Green, Adron Beene and Glenn Godard.

Speakers at the meeting at the church last evening were Robert E. O'Connell Jr., "Reading Your Mail;" B. E. Myers, "Speech Construction;" Paul Reimer, "Take Your Children to Sunday School;" and Perry Bygdnes, "Federal Housing Act." Chairman was Fred Schmitz; critic, Duncan Reynard.

Speakers next week will be: Dr. D. F. Brown, 10 minutes; Donald Sevier, five; Fred Walker, five, and Taylor Reedy, five. Jake Buhler will preside. Donald Bogie will be critic.

Because the successful candidate was illiterate, mayoralty elections for Odanovats, southern Siberia, were twice annulled. The candidate learned to read and write and when elected the third time was permitted to take office.

Chest Colds

... Yield quicker to the Poultice-Vapor action of VICKS VAPORUB

Lawyers Reach One Agreement In Frazer Case

Attorneys representing the several families of claimants to the $300,000 estate of the late James Frazer, pioneer Palo Alto merchant, while unable to agree which of the groups should have the property, today had reached agreement on at least one angle of the case.

Evidence of this was given with the filing in superior court of a "stipulation to relationship." In it, Attorneys Joseph C. Meyerstein, David Freidenrich and the law firm of Lakin & Leve agreed with I. M. Golden that a certain Samuel Frazer is dead; that he died in 1914 in Chicago; that he was a brother of James Frazer; that he left surviving him children as follows: Margaret Frazer Christie, William Frazer, Samuel Frazer and Alexander Frazer, all of Chicago, and that he left a widow, Sarah Wilkie Frazer, also of Chicago.

As a result of the accord, the lawyers told Superior Judge Maxwell McNutt in their stipulation petitin that "the necessity of taking depositions to prove such relationship is hereby waived."

Nine Seniors Named To Advisory Groups

To represent fourth year advisory groups at senior class officers' meetings, nine representatives of senior advisories were elected this week at Sequoia.

The representatives are Rita Gamboni, Louise Fish, Ethel Ekholm, Yoneko Inouye, Francis Treagle, Durden Roper, Richard Fitzgerald, Bob Garcia and Richard Savage, according to Vivian Melton, senior class advisor.

LIONS TO SPONSOR RED CROSS DRIVE

Wayne R. Millington Selected Chairman Of Solicitation

Mrs. J. N. Winter, secretary of the Redwood City chapter of the Red Cross, was advised today that the Lions Club will sponsor and conduct the annual Red Cross Roll Call, one of the club's local objectives in the past few years.

Wayne Millington, chairman last year, again will head the drive starting Armistice Day, November 11, according to Dr. W. H. Taylor, Lions Club secretary.

PASSES STATE BAR

Among those passing the last state bar examination was Geoffrey Hughes, youngest son of Robert Hughes, formerly of the Kings Mountain road, Woodside.

LEGAL

NOTICE OF TRUSTEES' SALE

On Tuesday, the 19th day of November, 1935, at 10:00 o'clock A. M., at the front door of the County Court House in Redwood City, San Mateo County, California, ASA E. HULL and C. M. DOXSEE, trustees, said Asa E. Hull and C. M. Doxsee having been substituted as trustees in the place of P. P. Chamberlain and J. L. Ross, deceased, will sell at public auction to the highest bidder for cash in lawful money of the United States the following described real property situate in the county of San Mateo, State of California, and known and described as follows, to-wit:

Lots 18 and 20 as designated on the map entitled "Resubdivision of Lots 1, 2, 3 & 4 Block 27 of Oak Knoll Manor near Redwood City, Calif.," which map was filed in the office of the recorder of the County of San Mateo, State of California, on September 5, 1919, in Volume 10 of Maps at page 25, to which said map and the record thereof reference is hereby made and the same made a part hereof.

Said sale will be made to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by WILLEY H. MOULTHROP, also known as W. H. MOULTHROP, and GLADYS C. MOULTHROP, also known as GLADYS MOULTHROP, his wife, as trustors, to P. P. CHAMBERLAIN and J. L. ROSS, as trustees for San Mateo County Building and Loan Association, a corporation, as beneficiary, dated August 8th, 1928, and recorded in Volume 355 of Official Records, page 492, San Mateo County records; that trustors have made default in the payment of principal and interest on said deed of trust and the promissory note secured thereby and in the payment of taxes on said real property, which default still continues.

Notice of breach of said obligation and election to sell said real property was recorded on January 21st, 1935, in Volume 646 of Official Records, page 68, said San Mateo County records, and more than three months from the date of the recording of said notice of default and breach and election to sell have elapsed.

This notice is given in compliance with the demand heretofore made on said trustees by San Mateo County Building and Loan Association, a corporation.

Dated: October 21st, 1935.
ASA E. HULL,
C. M. DOXSEE,
Trustees.

ROSS & ROSS,
Attorneys for Trustees.
Oct. 25; Nov. 1, 8, 15, 1935.

S.S.F. GIRL, 15, DIES

SOUTH SAN FRANCISCO, Oct. 21.—Native of Oregon and resident of South San Francisco for only the past four months, Guylene Regina Felix, 15, died in the San Mateo County Community Hospital last evening. She lived here with her aunt, Mrs. Anna Brown. The body will be sent to Oregon for burial.

LEGAL

NOTICE TO TAXPAYERS COUNTY TAXES 1935

NOTICE IS HEREBY GIVEN that the Taxes on all Personal Property, secured by Real Property, and one-half of the Taxes on all Real Property will be due and payable, Friday, November 1st, 1935, and will be

Delinquent on December 5th

the first Thursday in December, 1935, at 5 o'clock P. M.

and unless paid prior thereto, 8 per cent will be added to the amount thereof. If the said first installment of said taxes be not paid before April 20, 1936, at 5:00 P. M. an additional 3 per cent will be added to the amount thereof. The remaining one-half of the taxes on all Real Property will be payable on or after January 20th next thereafter and delinquent on April 20th, 1936, at 5 o'clock P. M., and unless paid prior thereto 3 per cent will be added to the amount thereof.

All taxes may be paid at the time the first installment, as herein provided, is due and payable.

Taxes may be paid on any day at my office, except Sundays and holidays, in Redwood City, at the Court House, between the hours of 9 a. m. to 5 p. m. Send description of your property when asking for tax statements. Notify this office of your change of address.

Address all communications regarding County Taxes to
A. McSWEENEY,
County Tax Collector,
Redwood City.

Oct. 25, 1935.

HARRY J. ELLEN TO HEAD V. F. W.

New Officers Elected By Local Veterans For Coming Year

New officers elected by the Corp. James Lindsay Wilson Post No. 2310, Veterans of Foreign Wars, Redwood City, were announced today.

Heading the veteran group as commander will be Harry J. Ellen, who will serve for the coming year.

Other officers are Otto Fischer, senior vice commander; John Dean, junior vice commander; Clayton Heald, chaplain; Corbett Lockhart, officer of the day; Harold E. Crowe, post advocate; Cecil Wells, quartermaster; Oscar Whittenburg, adjutant; Albert Mayer, guard; Walter Herman, service officer and correspondent; Jack McFadden, post bugler, and Dr. Harper Peddicord, post surgeon.

Refusal of Alms Brings Man Injury

"When he received no quarter he gave no quarter . . ."

This was the story today of Manuel Centeno, 29, San Mateo SERA worker, as he told police of being attacked by an itinerant to whom he had refused 25 cents last evening in San Mateo.

Centeno was treated at the Community Hospital in San Mateo for a deeply lacerated left eye and other head injuries.

Frank Schwab Freed On Battery Charges

Frank L. Schwab, Main street washing machine shop proprietor, was absolved of blame for a recent altercation between himself and J. A. Peterson when Police Judge Edward I. McAuliffe last week after a court trial found Schwab not guilty of battery charges.

Good Lighting starts with Proper Lamp Design

Here is the 1 2 3 of a Better Lamp for Better Light

1 — Higher standard than the ordinary lamp. 19½ inches from table top to bottom of shade.

2 — What a difference under the shade! The diffusing bowl which eliminates both reflected and direct glare to give light that is soft and glareless.

3 — The shade open at the top and wide at the bottom is the third reason why this revolutionary lamp gives six to ten times as much light as an ordinary lamp.

SEE that the lamps you buy for your home are designed to give you abundant light from proper height and distance so that it is easy for your eyes to see quickly and to read without effort.

Note the distinctive features of the Science of Seeing Study Lamp pictured above. They are the tall standard, the diffusing bowl and the special shade wide at the bottom to give much more useful light than ordinary lamps.

There should be at least one of these new lamps in every home. It helps good eyes to keep good eyesight and aids weakened eyes to see more easily.

Your dealer or this company can show you many models for floor or table use. See them today.

BUILDING TRADES CONFERENCE SET

Self-Government Code Objective of Meet, Brady Reports

A meeting of all San Mateo county building trades crafts, and county contractors and sub-contractors, will be held Thursday night, November 7, at the Labor Temple, 711 B street, San Mateo.

At that time a code of self-government for the construction industry of the county similar to the one now in operation in San Francisco, will be adopted, Edward Brady, business representative of the Building Trades Council, announced.

"The recent decision of the United States Supreme Court, declaring the national industrial recovery act unconstitutional, has invalidated all NRA codes," said Brady, "and there is no hope that the government can, at this time, enforce the provisions of the codes, especially those relating to hours, wages and fair trade practices.

"It is recognized, however, by all who have had practical experience with the construction codes," said Brady, "that very definite benefits have grown out of their operation for the building trades worker, the contractor and the investing public."

There are four objectives to be realized by the code of self-government, said Brady, and they are:

1. Stabilization of the industry through enforcement of recognized wages, hours and working conditions for each craft.
2. Continuation of the bid depository substantially in its present form, with more complete utilization, if possible, of its facilities.
3. Adequate protection against bid peddling and bid shopping.
4. Maintenance of fair trade practices for the industry.

Brady is urging all interested to attend the meeting. The committee in charge consists of Brady, Al Randall, John Evansoren, Paul Croander and Pat Keary.

Zoning of Coastside Goal of Planners

Zoning of the subdivided districts of the coastside for business and residence purposes in a manner like that now in use throughout the rest of the county under the interim-zoning ordinance, has been decided upon by the county planning commission.

Proposed by Commissioner R. Guy Smith of Montara, the zoning will be worked out by the planning commission staff at once.

The commission set November 8 for a hearing on Dr. Lawler Dreese's application to build a $10,000 emergency hospital at Colma at the San Pedro road-Junipera Serra intersection. Property owners have protested establishment of the institution.

Land Owners Asked To Give WPA Funds

BURLINGAME, Oct. 22.—To permit immediate undertaking of a WPA project to cover Terrace Creek, the Burlingame city council last evening decided to ask property owners along the creek to contribute $28.16 each to make up the difference between present and past WPA wage scales.

The council formally accepted as completed the $40,000 outfall sewer project.

LEGAL

NOTICE OF TIME SET FOR HEARING PETITION FOR PROBATE OF WILL AND ASSIGNING ENTIRE ESTATE TO WIDOW.

No. 6957—Dept. 1

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of JOSEPH O. FRIEDEL, also known as J. O. FRIEDEL, Deceased.

A document purporting to be the last will and testament of Joseph O. Friedel, also known as J. O. Friedel, deceased, having on the 18th day of October, 1935, come into possession of said Superior Court, and a petition for the probate thereof and for setting aside the entire estate to the widow having been filed by Vivien Friedel, the widow of said deceased, with me, the Clerk of said Court, notice is hereby given that Monday, the 12th day of November, 1935, at 10 o'clock a.m. of said day, in Department No. One, at the courtroom of said Court, at the Court House, in the City of Redwood City, County of San Mateo, State of California, has been set as the time and place for proving the will of said Joseph O. Friedel, also known as J. O. Friedel, deceased, and for hearing the application of said Vivien Friedel for the issuance to her of letters testamentary and setting aside the entire estate to the widow, when and where any person interested may appear and contest the same.

GIVEN under my hand and the seal of said Superior Court this 18th day of October, 1935.

(SEAL)

E. B. HINMAN, Clerk.
MURA B. STILLESON, Deputy Clerk.

Society and Club News

(Continued from Page Two)

Local Delegation Will Attend C. E. Conclave

Plans to attend this week-end's annual three-day convention of the Santa Clara District Union Christian Endeavor were being made today by a local delegation. With Faith," the meeting will be held Faith," the meetig will be held in the First Presbyterian Church, San Jose, beginning Friday at 7 p.m.

Mr. Andrew Stewart of Redwood City, president of the state Christian Endeavor Union; Miss Ada May Visick of La Verne, immediate past president, and Howard L. Brown of Los Angeles, general secretary, will have leading parts in the program. The main addresses will be given by Dr. Francis Russell of Palo Alto, Miss Caroline McCreery, missionary on leave from China, the Rev. Rollo LaPorte of Oakland and Miss Visick. Conferences and song services will be held each day.

Planning to attend from here besides Mr. Stewart are Mrs. Stewart, Miss Marjorie and Mr. Glenn Stewart, Miss Marjorie Bomberg, Miss Ann Ott and the Misses Mabel and Jane Duncan.

WOMEN OF MOOSE GIVE CARD PARTY TOMORROW

Women of the Moose, Redwood City chapter No. 601, will give a whist party tomorrow evening at the home of Mrs. F. A. Groce, 262 Roosevelt avenue.

Proceeds from the affair will be used for the annual Christmas party given by the order for children of the community, Mrs. Mary Neikirk, chairman of the Christmas committee, announces. Score cards will sell for 25 cents. Included in this charge will be refreshments of pumpkin pie and coffee.

MOTHER AND BABY RETURN HOME

Mrs. Henry Kuechler Jr., and her baby daughter, Sally, have returned to their Atherton home this week from the Stanford Hospital, where Miss Sally arrived recently. Her mother was Miss Mary Stewart, daughter of Mr. and Mrs. A. O. Stewart. She has an older sister, Sue.

REMOVE FROM PALO ALTO TO MENLO PARK

Mr. and Mrs. Henry J. Gregory have removed from the house at 569 Addison avenue to a residence on Valparaiso avenue, at the corner of Orange street, Menlo Park.

Art Club to Give Semi-Formal Saturday

First semi-formal dance of the year for Sequoia Union High School will be sponsored by the Art Club of the school Saturday evening in the girls' gymnasium. Dancing to the strains of music by the "Royal Ambassadors" will begin at 8 o'clock with proceeds to go to purchase for the club the needed equipment to continue its work through the year.

Decorations are being designed by club members under the supervision of Mr. Stanley Rollin, club advisor. Committee members completing arrangements for the affair include Donna Gardner, Dee Scrivener, Dorothy Thompson, Ken Moulton, Dennis Barrett, George McCarron, Larry Kirton and Bud Whitaker.

Students attending must show their student body cards or a dance pass as well as pay the admission charge, Mr. Donald Bogie announces. Alumni must present alumni cards. For guests not attending Sequoia, guest passes, as well as alumni cards and dance passes, may be secured from Mr. Bogie or from Miss Marion Dwight.

MRS. M'EWEN HONORS VISITOR FROM POLAND

Mrs. Forest McEwen entertained recently in honor of Mrs. Orray Taft Jr. (Janet Davidson) of Warsaw, Poland, who is visiting on the peninsula as the guest of her parents, Prof. and Mrs. Percy E. Davidson of Stanford University. Mr. Taft, who is American vice-consul to Poland, is on his way to California to join Mrs. Taft.

FESTIVAL QUEENS TO VISIT FAIR

Miss Alyce Cross, who was East Palo Alto's queen entrant in the royal group at the recent San Mateo County Festival at Bay Meadows, will join the others in a trip to the San Diego fair, leaving here Friday. They will visit the fair on Saturday, which has been designated as San Mateo County Day.

LUTHERANS PLAN HALLOWEEN PARTY

Women of the Trinity English Lutheran Church will hold a Halloween party tomorrow night at the parish house. Dinner will be served at 6:30 o'clock. Halloween games will be played afterward.

Damage Case Settled After Trial Underway

After a day and a half of a trial by jury, Mrs. William Boden's $75,000 damage action against J. H. Stubbe of East Palo Alto for the death in a collision June 5 on Middlefield road at Oregon avenue of Mrs. Boden's husband was settled during a court recess yesterday afternoon.

It was undersood the settlement involved $2500.

An underground stream runs through Greenwich Village.

Palo Alto Man Dies At Masonic Temple

PALO ALTO, Oct. 24 (Special)—Dead from a heart attack, Edward George Bradley collapsed yesterday on the floor of the Masonic Temple auditorium as he was assisting in the decorating of the room for a social event.

Bradley was a native of England, and was 74 years of age. During the last 28 years of his life he lived in Palo Alto, following the trade of interior decorator, from which he retired a few years ago.

Active in the Spanish American War, he had served as a commander in the veterans' organization.

Surviving him are his wife, Mrs. Katherine Bradley, who resides in the family home at 841 Bryant street; a son, Alfred H. Bradley, Burlingame; a daughter, Mrs. Ethel Twelker, Seattle; two stepchildren, Dunovan Flint of Honolulu, and Mrs. Nattile Stockton of Los Banos; and five grandchildren.

Funeral services will be held at

Ethiopia Aid Funds Sought By Red Cross

The local chapter of the Red Cross has been authorized by the National organization to accept funds for the Ethiopian Red Cross relief work in the war district, according to word received today by Mrs. Z. T. Thorning, chapter chairman.

Contributions may be left at any of the local banks or at the office of The Tribune.

Assistance of the American Red Cross was also offered Italy, but was declined on the ground that the Italian Red Cross so far has been able to take care of its own relief needs in the African war zone.

Copper near the surface of the earth is said to check the growth of vegetation. For this reason, airplanes are being used in Africa to spot likely deposits of copper.

.0 o'clock Friday morning, directed by the Spanish War Veterans. Burial will be in Alta Mesa cemetery.

State Relief Unit Receives New Name

BURLINGAME, Oct. 24.—Frank Y. McLaughlin, state relief administrator, has informed Capt. L. G. McAloney, county relief director, that the name of State Emergency Relief Association has been changed to State Emergency Relief of California. So far as he has been informed, no changes are contemplated in either the staff or the field of activities, Captain McAloney said.

Faulty Steps Bring $3000 Damage Suit

Because she allegedly tripped August 10 on a broken step of a house advertised for rent at 159 Santa Barbara avenue, Daly City, Miss Viola R. Frates, typist, today brought suit for $3,175 damages against Alfred Romer, owner of the house. Mrs. Frates suffered leg and ankle fractures, she said in her complaint, filed by Attorney James Sykes.

St. Mary's College Explains Debt Tale

MORAGA, Oct. 24 (U)—Like the premature report of Mark Twain's death, the reports of St. Mary's College precarious financial position are "gross exaggerations," college heads said today.

"The situation at our college is the brightest it has been in years," Brother Albert, college president, said.

"Enrollment has increased, revenues from tuition and athletics are ahead of the past several years, the spirit on the campus is the most optimistic and energetic in St. Mary's recent history."

An area of 117 square miles with a population of 4,350,000 and a rateable value of approximately $300,000,000, is administered by the London county council.

4 Hours to RUN a WANT AD

First PICK UP YOUR TELEPHONE

Second CALL REDWOOD 2 --- 0 --- 0 --- 0

Third TELL AD-TAKER WHAT YOU WANT

There's no mystery or hocus-pocus about putting an ad in The Tribune. It's as easy as falling off a log. You want to sell something or hire somebody or rent a room or find a job and the quickest, cheapest, surest way is with a Tribune Want Ad.

Pick up your phone, call Redwood 2000, and tell your story to the Ad Taker. She will write your ad for you on the spot. With short, easy-to-understand words she will save you money and get you more results from your ad. She will read your ad back to you over the phone for your O.K. Not a chance of a thing going wrong.

That's all there is to it. And if you are selling something that someone wants, or want something that somebody has—it's dollars to doughnuts you'll get results! Because The Redwood Tribune reaches nearly everyone in Redwood City. And because wise people turn to the Want Ads first!

USE THE WANT ADS

$1,300 RECEIVED AT FIREMEN BALL

Huge Crowd Enjoys Successful Annual Affair Here

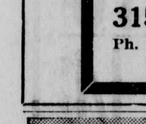
While between 700 and 800 people jammed the Foresters' Hall here to dance Saturday night, another 148 played cards on the floor above to make the annual Firemen's Ball one of the most successful ever held.

Early reports indicate that approximately $1,300 was received from sale of tickets, according to Fire Chief Mark E. Ryan. After expenses of orchestra, advertising, printing and other necessities are paid, the balance of the money will go into the firemen's treasury for payment of the new uniforms and for general purposes.

Despite the huge crowd dancing to the strains of music from Don Verduga's "hot" seven-piece orchestra, a suction fan installed expressly for the dance kept the air clean throughout the five hours of the ball, which started at 8 o'clock.

George Locatelli, chairman, and Fire Chief Ryan today extended appreciation to committeemen and general public for support given the affair.

Night Coughs



Quickly checked without "dosing." ..Just rub on VICKS VAPORUB

M'Auliffe Fines Motorists $209 In Traffic Court

Fines totaling $209 were assessed by Judge Edward I. McAuliffe in traffic court last week.

Topping the list was James C. Owen, Woodside colored butler, who decided to pay $95 rather than serve a 20-day term for intoxicated driving after he had spent two hours in the county jail.

Alfred Masters, Stanford graduate manager, paid $2.50 for speeding. Other speeders fined were A. W. Ehrigh, $2.50; Samuel Mattison, $10; Jack E. Webb, $10; Robert H. Jones, $10.

Other fines were: Anthony Brandon, $25, and George A. Russell, $25, both for reckless driving; Conrad Kowell, $5, and Leslie Lane, $5, for passing on the right side; Gladys Gavin, $2.50, and Del Buono, $2.50, for failing to observe an arterial stop; Nason Hall, $1, and Nancy Garrett, $1, for faulty lights; A. M. Potter, $5 for failing to give an arm signal, and J. Neifing, Mrs. Berot, Mrs. L. P. Knight, Camille Stafford, Alden Jack, C. Rosetto and W. G. Ebright, $1 each for overparking.

Larwood Appointed To Succeed Dacier

Replacing Harvey Dacier of Redwood City, who is to make his future home in New York, M. S. Larwood, also of Redwood City, has been named by Assessor Daniel P. Flynn as transfer clerk in his office.

SHERIFF FLAYED FOR SLOT DEVICES

Santa Clara County's Grand Jury Gives Recommendations

SAN JOSE, Oct. 22.—Accusing the sheriff of having "not made any serious attempt to suppress the use of slot machines," the 1934 Santa Clara County Grand Jury report was on file today with Superior Judge R. R. Syer.

The jury, impanelled last November, recommended establishment of a jail farm for prisoners charged with slight offenses, and also urged, as has many other jurie, that the county jail be improved.

Employed by the committee, a San Francisco investigating agency found more than 300 slot machines in the county, principally outside incorporated areas.

Published reports of the survey resulted within a fortnight in abolishment of practically all machines except a score or more in Gilroy. After conferences with the district attorney's office, Gilroy authorities remedied the situation, according to the report.

A later check by the committee's operative, started September 24, and lasting until October 15, disclosed, the report said, the county harbored 52 machines, all outside corporate limits. A later check also revealed that machines were again in use in Gilroy, but that they paid slugs instead of cash.

The report of the law enforcement and public morals committee concludes with this paragraph on the slot machine situation:

"Whereas the suppression of the use of slot machines is a comparatively simple matter, as all that is necessary is the location and seizure of the machines, no litigation being necessary, it is apparent to this committee that the sheriff of Santa Clara county has not made any serious attempt to suppress the same."

FILE PROTEST ON HANDLING OF INSURANCE

Kelly Explains Plan Which He Expects To Put in Effect

Rumblings of new dissatisfaction with county administrative affairs were heard today when P. C. Cavanaugh, director of the San Mateo-Burlingame Insurance Agents' Association, lodged a complaint with the board of supervisors over the county's insurance.

Cavanaugh asked the privilege of discussing with the board the "matter of insurance," saying he felt "reasonably assured that something can be done to provide further reducions in insurance costs," and also felt "that something can be done to place this business in a more equitable manner."

Purchasing Agent Stanley Kelly, in whose hands is left the purchasing of insurance, said he was unable to understand the meaning of Cavanaugh's letter.

"The main insurance business of the county is the automobile coverage. Previous to this year, there were 52 policies. We now are blanketing them in under fleet insurance as soon as the old policies expire. Already this year we have saved $661 in this manner.

"The insurance men want the commission split. The business is now going through Henry Witte of Redwood City, but the commissions are being impounded. When all the policies are combined into the fleet policy, I intend to ask the county insurance men the most equitable way of dividing the commissions."

GREER PONY FOURTH

Gypsy Girl, owned by J. W. Greer of Palo Alto, won fourth prize in the novice polo ponies class at the Stockton Horse Show last night.

TABASCO

THE SAUCE SUPREME

MORNING

With your breakfast eggs. A few drops of Tabasco make a good egg better.

NOON

Try Tabasco on your mashed potatoes—you'll be surprised at the appetizing new flavor.

NIGHT

To stimulate a lagging appetite, a drop or two of Tabasco on buttered crackers or thin toast is more zestful than a cocktail.

McIlhenny Company

AVERY ISLAND, LOUISIANA

TABASCO is used and recommended at the TRIBUNE COOKING SCHOOL

DOG TRACK SCENE OF DEDICATION

Federal Aides Asked To Attend Rites November 3

The grandstand of the Town and Country Club track at Bay Shore will be the scene of the San Mateo-San Francisco Livestock pavilion ground breaking celebration Sunday, November 3.

Supervisor Andrew J. Gallagher, chairman of the two county citizens' committee; Supervisor Al Witt, vice chairman, and Attorney Charles H. Sooy, president of Agriculture District No. 1, head the committee in charge.

Harry L. Hopkins, WPA administrator, and Harold Ickes, secretary of the interior, have been invited to attend the ceremonies by Sooy.

Governor Merriam will turn the first shovelful of earth of the $1,250,000 project. A giant barbecue and other entertainment will be given during the ground breaking ceremonies, it was announced.

GIRVINS SELL HOME

Sale of Court Reporter and Mrs. W. H. Girvin's home in Baywood to Mr. and Mrs. Howard R. Cuyler for $10,000 was disclosed today when the deed was filed with County Recorder T. C. Rice.

Dr. Harley Gill To Preach Here At Congregational

Dr. Harley Gill, superintendent of the Congregational Christian Church of Northern California, will be the guest preacher at the 11 o'clock service of the Congregational Church here Sunday morning. He will take the place of the Rev. Norman W. Pendleton, pastor, who will be in Chicago as a delegate of the Townsend club.

Dr. Gill is well known in Redwood City as a speaker of rare power. He has appeared before the Kiwanis club, the Menokirk club, and other organizations. He will bring to the church the story of "Christianity Tested by Depression Problems."

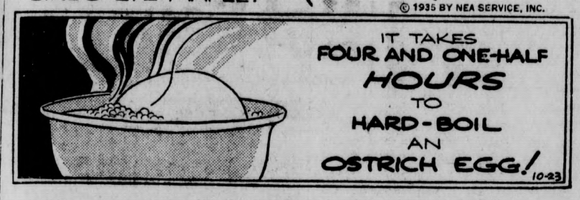
Sunday will be Family Day on the calendar of "Go to Church Month" and families are invited to sit together in "the old family pew."

INSURANCE COMPROMISED

To smooth the furore created by granting of $400,000 worth of San Mateo school insurance to a San Francisco firm, the San Mateo High School Board of Trustees last Tuesday passed a resolution instructing the firm in question, Brown, Scott and Dutton, to act as brokers for the insurance which would be handled through the San Mateo and Burlingame Insurance Association as agent.

THIS CURIOUS WORLD By William Ferguson

The SAPSUCKER,
BY DIGGING HUNDREDS OF TINY HOLES IN TREES, CAUSES INJURIES WHICH, IN THE MAPLE, PRODUCE THE PECULIARLY GRAINED WOOD KNOWN AS "BIRD'S-EYE MAPLE."
The DOMINICAN FROG
SKIPS THE TADPOLE STAGE ENTIRELY!
IT DEVELOPS INSIDE THE CRYSTAL-LIKE EGG AND EMERGES AS A FULL-FLEDGED FROG.
WILLIAM FERGUSON
© 1935 BY NEA SERVICE, INC.



Sapsuckers are not particular as to what trees they feed on, and about 250 species are subject to their attacks. Occasionally, young trees are killed outright by the girdling of the sapsucker, but larger trees recover from the injuries, although the blemishes may never disappear.

New City Addresses Recorded at Hall

New addresses recorded during the past week at the city hall include: G. Van Buskirk, 130 Hemlock; Marie Bradley, 706 Highway; Lorenzo Stagnaro, 1328 Highway; W. D. Mallon, Emerald Lake; Mrs. T. Lovely, 86 Davis; Mrs. L. E. Lloyd, Oak Knoll Drive; Ralph A. Wood, 243 Fulton; John Martin, 414 Standish; E. C. Tucker, 1062 El Camino Real; Don Mitchell, 515 Oak; A. Gull, 1445 Jefferson; Del E. Ladorre, Vista drive; F. J. Dietrich, 437 Vera, and Antone Tobias, Hillside road.

LIVESTOCK MEET SET

A meeting of the San Mateo county group of the citizens' committee arranging for the groundbreaking celebration of the livestock pavilion will be held Friday, October 25, at the courthouse here at 8 p. m.

Hetch Hetchy Water Again Served City

Hetch Hetchy water will again be turned into Redwood City mains today, City Engineer C. L. Dimmitt reported, following repair of the main pipeline crossing near the Dumbarton bridge which was broken some two months ago.

Calaveras water has been served the city in the meantime, and some complaints have been registered, Dimmitt said. Both Calaveras and Hetch Hetchy water are mixed with city well water.

Lambert Aids Drive On Forget-Me-Nots

Mayor Charles G. Lambert today urged support of the "Forget-Me-Not' annual flower sale to open November 8 under auspices of the Edmund Parrott chapter, Disabled American War Veterans.

Tahiti Film Shown Exchange Club Here

Scenes in color of Tahiti were shown by Harold McDonald, San Francisco title man, to the Redwood City Exchange Club at Bertrand's Tuesday at a meeting which marked virtually a 100 per cent attendance. McDonald recently returned from a three week's vacation trip to the Pacific outpost.

Also screened were scenes of McDonald and Harold Anderson, Exchange president, taken seven or eight years ago when both were flying enthusiasts.

Dr. Robert Monteith, accompanied by Kendall Towne at the piano, favored the club with a song.

Ex-Station Agent Dies in S.P. Hospital

(Special to the Tribune)

BURLINGAME, Oct. 23.—Edward Hevey, 70, retired Brentwood station agent, died in the Southern Pacific Hospital at San Francisco yesterday. He is survived by his widow, Elverda, and son, Edward Hevey Jr., Burlingame teacher. Funeral services will be held tomorrow at 2 p.m. at the William Crosby Mortuary here. Cremation will follow at Cypress Lawn Cemetery.

HEART ATTACK FATAL TO MAN DRIVING CAR

Abner L. Houseman, Veteran of Two U. S. Wars

Stricken with a heart attack at the wheel of his automobile, Abner L. Houseman, 60-year-old upholsterer, died late Monday afternoon as his car careened into a wire fence opposite the Flood estate on the Middlefield road, just south of Redwood City. Apparently the man's foot slipped off the accelerator as he died, for the car had nearly stopped when it struck the fence. Passing motorists discovered his body.

Mr. Houseman, a resident of North Fair Oaks for the past five years where he lived at 105 Fifth avenue, was a veteran of the Spanish-American and World Wars, having retired from the marine corps after 30 years of service. He was born in Bethlehem, Pa.

Survivors include his widow, Mrs. Maryon J. Houseman; his mother, Mrs. Henrietta Hartzell of Allentown, Pa., and two brothers, Howard and Palmer Graver Houseman, both of Allentown.

Services will be held at the Layng and Tinney funeral home Thursday afternoon at 2 o'clock, with cremation following at Cypress Lawn Memorial Park, Colma.

CROSBY TO HANDLE ESTATE

The $2,000 estate left by Kathleen Robinson when she was mysteriously murdered January 26 in San Mateo will henceforth be administered by Coroner-Public Administrator William Crosby, Superior Judge Cotton ruled today after Mrs. Pauline Uhl, the slain girl's stepmother, resigned the position.

7-POWER PACT TO CUT ARMS IS PROPOSED

Huge Italian Thrust At Ethiopia Set For Next Monday

LONDON, Oct. 24 (UP)—Negotiations of a seven-power naval treaty, including Germany and Russia, to supplant the Washington and London pacts of 1922 and 1930 may be under consideration in London, it was disclosed by Sir Bolton Eyres-Monsell, first lord of the admiralty, before the house of commons.

Announcing that Britain has sent an invitation to the other signatories—the United States, Japan, France and Italy—to a naval limitation conference here December 2, Sir Bolton added:

"The purpose of the conference will be to secure agreements on as many aspects of naval limitations as possible with a view to inclusion in an international treaty in place of two naval pacts expiring at end of 1936."

ENGLAND RETAINS FLEET

LONDON, Oct. 24 (UP)—Italy notified Great Britain today that it has instructed a division of troops to move away from the Egyptian frontier in Libya but it was indicated Britain has no intention of responding immediately with a reduction of her Mediterranean fleet.

Informed sources emphasized that Italy's action is in no sense a part of any bargain. On the contrary, it was said, although the gesture is appreciated fully in London, there is no definite indication whether the Libyan troops are merely shifting their position or returning to Italy.

NEW OFFENSIVE MONDAY

By Virgil Pinkley

(Copyright, 1935, by United Press)

ROME, Oct. 24 (UP)—Dispatches from the front indicated today that Italy would launch its next big push into Ethiopia next Monday, 13th anniversary of the Fascist March on Rome.

There is every indication that the operation will be a big scale one with four fronts, designed to crush the Ethiopians under Ras Nassibu in the Harar area and those under Ras Siyoum on the northern front.

The third army under Gen. Rodolfo Graziani, Italy's greatest colonial fighter, will deliver the main attack on the eastern-southern front by striking northwestward from the Ualual sector.

Military experts believe it will be a considerable time before the Italians and Ethiopians clash in a decisive battle in the Harar area, key to the Addis Ababa-Djibouti Railway, because Graziani's Italians must cross some difficult country, with long, uncertain lines of communication, before they are in position to threaten Harar.

ETHIOPIANS FORCED BACK

LONDON, Oct. 24 (UP)—An Ethiopian attack on the Italian line between Aksum and the Sudanese border was repulsed early today after loss of more than 100 men by the attackers, according to an Exchange Telegraph dispatch from a correspondent with the northern Italian forces.

Haile Selassie's warriors, reported to be under the leadership of Ras Siyoum, were attempting to cut the Italian right wing and also to divert Italian troops to Aksum points further east on the Italian line.

Greece's order for new airships includes 45 bombers and reconnaissance machines and 25 for instruction.

Three 'Quakes Add to Horror Of Southerners

Malibu Beach Escapes As Sea Breeze Whips Flames to Inland

LOS ANGELES, Oct. 24 (UP)—The severe Malibu district brush fire which razed canyon homes of several film stars was reported under control shortly after noon today.

'QUAKES FRIGHTEN SOUTH

LOS ANGELES, Oct. 24 (UP)—An earthquake of slight intensity jarred sections of Southern California shortly before 7 a.m. today.

Eastern and Western Los Angeles noted the temblor but the downtown district escaped.

Two shocks were felt at Riverside, the first at 6:50 a.m. rattling windows and causing buildings to sway. The movement lasted about five seconds. A second disturbance, much lighter, followed three minutes later.

Residents of Altadena, Pasadena suburb, also felt the temblor.

No damage was reported.

FILM COLONY SAVED

LOS ANGELES, Oct. 24 (UP)—A merciful sea breeze, whipping the flames inland, saved the Malibu beach motion picture summer colony from destruction by fire today.

A thousand wearied fire-fighters set up an exultant cheer as the wind sent the flames crackling into an unpopulated mountain area, well back of the expensive beach homes which the film stars were beginning to evacuate.

Capt. Jay Morley of the sheriff's Malibu substation reported the shifting wind had brought the fire under complete control.

The fire veered toward new stretches of brushlands in the Santa Monica mountains, already damaged to the extent of $3,000,000.

Two hours later the fire was reported burning itself out over an area of 150 square miles, but it still raged well out of control.

Burning briskly along a four-mile front, the fire was advancing toward two new resorts—Seminole Hot Springs and Malibu Lake. These two districts, however, were still eight miles in front of the blaze and appeared in no imminent danger.

The county forester's office said the devastated area covers about 10 miles of beach front north of Malibu and extends 15 miles inland, an extent of 96,000 acres.

Not all of this area, however, has been desolated, but its doom was feared.

WRECKS BUILDING

LOS ANGELES, Oct. 24 (UP)—An explosion and fire injuring 11 persons left lower floors of the Morton building at Sixth and Broadway a blackened ruin today. Damage was estimated at more than $100,000.

The blaze, most spectacular here in years, was battled by 10 fire companies late yesterday. Three blasts from the acetylene torches used in renovating the structure sent flames shooting through the building.

Fiesta Queens Set For San Diego Trip

(Special to the Tribune)

BURLINGAME, Oct. 24.—Royalty entrains tomorrow at Burlingame.

Ruth Lindorff of Daly City, queen of the San Mateo county Floral and Products Fiesta held recently at Bay Meadows, will leave with her retinue of seven maids of honor for a three-day trip to San Diego where they will visit the exposition.

CLIPPER BID ON AIR MAIL IS ACCEPTED

Craft Ends Long Hop As P. O. Accepts $16,000 Offer

ALAMEDA, Oct. 24 (UP)—Pan-American Airways sky exploring Clipper Ship landed at its home terminal on San Francisco bay at 11:01 a.m. today, completing a triumphal 12,480-mile round-trip transpacific flight from California to Guam.

The Clipper, commanded by Capt. R. O. D. Sullivan, veteran of the craft's three previous round-trip air journeys, left Pearl Harbor, Honolulu, at 5:31 p.m. P.S.T. yesterday.

MAIL BID ACCEPTED

WASHINGTON, Oct. 24 (UP)—The postoffice department today announced acceptance of the bid of Pan-American Airways for carrying airmale over the 8000-mile transpacific route to be established between San Francisco and Canton, China.

The bid acceptance means approximately $16,000 a trip to the company for mail carrying. The bid was $2 a mile, based on an 800-pound load with an allowance of $1 per $1000 mile for each pound of excess load.

Second Assistant Postmaster General Harlee Branch said the Far Eastern terminus of the line would be temporarily at Manila. Mail for China and other Asiatic ports will be shipped from Manila to Canton.

Branch also said that the postage rate to China will probably be in the neighborhood of $1 per ounce. Mail to Hawaii and the Philippines will be proportionately less.

Rev. Schuyler Pratt Talks to Kiwanians

The Rev. Schuyler Pratt, Episcopal minister, gave credit to the younger generation in their efforts to fit themselves for adult life, in a talk to the Kiwanis Club yesterday noon. He said he believed youngsters were being far better fitted nowadays by education to meet the problems of adult life.

Congressman John J. McGrath was unable to give a scheduled talk because of a pressing engagement at Moffett Field. The congressman, however, was present at the opening of the meeting, gave his regrets and asked to be scheduled before the club at a later date.

Robert O'Connell Jr. acted as chairman of the day.

Superior Court Asked To Dismiss Charges

The superior court today was asked to intervene in the charges brought against three men of forcibly ejecting Miss Jennie Sissom, colored, from a house in San Mateo owned by Joe Mantaro of Redwood City last August.

Through Attorney F. E. Hoffmann, the trio, Chris Nass, John Wessa and Hugo Hultberg, petitioned for an alternative writ of mandate to dismiss the case, which has been hanging fire in justice court since arrest of the three August 14.

Child's Claim Settled In Superior Court

Claims for injuries suffered by Miss Lucienne Costes here several months ago when he was struck by the machine of George L. DeMartini were compromised in the court of Superior Judge A. R. Cotton today for $2600. The girl is a relative of the famous French air ace, Rene Costes, who has visited here.

El Camino Real Zoning Change Urged By City

Frame Buildings Along Portions of Artery May Be Allowed

Removal of portions of El Camino Real frontages from the fire zone to encourage building development on the state artery was urged for consideration of the planning commission by action of the city council Monday night. The fire zone was established in April, 1925.

Rezoning of El Camino Real from Brewster avenue north and from James street south is the proposal.

The portion of El Camino Real in between these two areas, which now is well built up with permanent type structures, would remain within the restricted fire zone.

The proposal would permit the construction of frame store buildings as contrasted with the requirement for Class C structures within the fire zone. Class C buildings must be made of masonry outer walls, such as brick, hollow tile, concrete or stone.

Buildings would be required to be placed behind the new setback line established for widening El Camino Real to 100 feet. This line calls for a setback of 17 feet from Rogers to James street, and then seven feet on the easterly side and 27 feet on the westerly side.

Mayor Charles G. Lambert brought up the question and the recommendation for consideration by the planners was made upon motion of Councilman Paul McCarthy, seconded by Councilman George McNulty.

WPA PROGRAM HIT BY UNION DEMANDS

Redwood City's WPA program will be seriously affected by the demand for union wages, with Unit C of the Woodside road culvert and the Pulgas storm sewer projects "definitely out," the council was informed.

Unit B of the Woodside road, to cost $12,743 and jointly sponsored by the city and San Mateo county, will proceed on the advance security (not union) wage, if San Mateo county agrees and provides $602 additional to the $1,721 already approved. Joint sponsors will provide $4,644 and the government will give $8,099. If union wages are forced on this project, it also will be seriously affected.

The $32,000 Pulgas storm project cannot proceed under the higher wages. This will mean loss of $26,000 of government funds. The city's share was $6,000. Five cents was put into the 1935-36 tax rate to take care of the city's share.

Redwood City itself will proceed with the $1,728 WPA program for comfort stations for Hawes Park and Mezes Plaza and the paint shop for Engine No. 2.

$1500 MORE VOTED TO UTILITY STUDY

The sum of $1,500 was approved on a 4-2 vote to continue the survey to establish the price of the Pacific Gas electrical distribution facilities. This makes the city's cost so far $6,500.

Council members voiced some concern over the cost and hoped that not much more will be necessary. The railroad commission is making the study. Blame for boosting the cost was laid to utility obstacles.

Councilmen Evans Fletcher and James Eva voted against the $1,500 award.

OTHER MATTERS BEFORE COUNCIL

Other actions included:

Discussed but took no action for or against proposed military training at Sequoia;

Deferred action on the request of Mrs. Paula C. Wyss to have Elm, Beech and Cedar streets extended from Stambaugh to Broadway;

Moved to set an early hearing on application for rezoning of lot adjoining Union Oil frontage in Wellesley Park to permit bungalow court to cost $15,000, after being informed that only key or buffer lots are to be so rezoned;

Heard report from city attorney that no easement is of record for the Pulgas sewer across General Petroleum lot on Bayshore but that it is held by prescription and that additional widths likely will be forthcoming;

Voted $50 to the Girl Scouts;

Thanked city library trustees for year's splendid report;

Granted plumbing license to John P. Cullen;

Extended tax penalties of 8, 3 and 3 per cent to December, 1936;

Granted George Paddleford floodlight permit for auto sales lot;

Adopted ordinance providing for issuance of $425,000 1915 investment bond fund;

Rejected claim of Walter Sterling for $27.04 for auto damages so he could sue;

Directed clean up of Union Cemetery, erection of stop sign at Middlefield road and Jefferson, and painting of caution signs on Woodside road at Washington school.

GANG CHIEF'S DEATH NEARS AS PALS DIE

'Dutch Schultz' Given No Hope; Betrayal By Woman Seen

NEW YORK, Oct. 24 (UP)—Hope for the recovery of Arthur ("Dutch Schultz") Flegenheimer, millionaire gangster and New York's Public Enemy No. 1, was abandoned today.

Physicians at Newark, N. J., City Hospital said that life was ebbing fast for the underworld leader, shot in the abdomen in a murderous outbreak last night that killed two of his leading lieutenants and left three others of his gang in grave condition.

A theory that Flegenheimer and three of his aides were "put on the spot" by a woman was investigated by police. A woman, smartly clad in a brown velvet ensemble and a silver fox neckpiece, was with the notorious gang leader for a half hour just before he was shot down in a Newark bar, authorities said.

Otto Berman and Leo Frank, two of his companions, already are dead of wounds, and a third, Bernard Rosenkrantz, was in a critical condition.

The four of them were mowed down by rival gangsters a few minutes before two other Flegenheimer followers were shot down and wounded by a gun in a barber shop in Manhattan's theatrical district.

Only One Crash Calls Patrolmen Over Week-End

For the first time in many weeks, state highway patrolmen were not called in connection with an accident on any main state highway over the week-end, only one minor accident six miles north of Half Moon Bay taking attention of the officers.

In it, Mrs. Mary E. Marsh of Half Moon Bay suffered cuts and bruises for which she was treated by Dr. R. D. Borley of the coast city. The accident happened when the car driven by her husband John A. Marsh, and the truck of Felix F. Santa Cruz of San Francisco, collided.

El Camino Real was the scene of two accidents in Redwood City Sunday evening, one at 5:40 and the other at 7:40 oclock. No one was hurt in either, however.

Burlingame police are seeking two hit-and-run drivers, both of whom smashed into cars on the Bayshore highway.

Auto, Street Bids Held Over at S. M.

SAN MATEO, Oct. 22.—Bids for resurfacing a number of city streets and for purchase of new automobiles for the police and fire chiefs were presented to the city council last evening but were held over until City Manager E. P. Wilsey returns November 1 from a city managers' convention in Tennessee.

Claim of $700 for the loss of her nine dogs was filed with the council by Mrs. H. V. Butterworth, who wrote that the nine dogs "combined the best blood lines of both America and Europe." The dogs were impounded after the owner of property on which Mrs. Butterworth was reportedly "squatting" protested presence of the dogs. The bill was denied.

Late Bills Balk Fiesta Statement

(Special to the Tribune)

SAN MATEO, Oct. 23—Because all expenses connected with the county floral and products fiesta held here week-end before last have not yet been computed, the committee meeting last night decided to wait until next week before giving out a final report on whether or not the show was a financial success.

Atherton Issues Building Permits

Permission to construct a dwelling and garage on San Beneto avenue was today issued by the Atherton building department to J. B. Perry of that city. The construction will amount to $5000.

H. Gumpel obtained a permit for a keeper's cottage on the grounds of his residence on Polhemus avenue. The cost is $1980.
